

# Visual Art FINAL PORTFOLIO

You have made it to the end of Art 1!

Now it's time to pull it all together and show what you have accomplished this year!

This assignment will be counting as the majority of your Final Exam grade (essentially a quarter grade), so it is very important that you complete this assignment to the best of your ability! You will be creating a portfolio, a culmination of your year in Art 1! This portfolio will be submitted onto CANVAS as a Google Slide Presentation. Use this sheet as a checklist.
